

## **Marseilles Rec Board**

### **City Hall 5 pm 5/23**

Ed Cavanaugh  
Rebecca Mellow  
Heather Medina  
Lish Abs

### **Guests**

Melissa Smalls  
Cindy Eutis

### **Agenda**

1. This week we are meeting with Amanda Hart, city PR to get an official city page set up and maintained. She can get the pool and rec FB pages consolidated and linked to the official pages for better visibility and do the PR for us. Our hope is she will also make some flyers for our events.
2. We went to the 10th street park and selected an area for the new equipment and bench that is being donated. The mayor will help get the family to select from our suggestions and once selected, ordered.
3. We've selected a day during fundays 7/10 that will be Rosie day. This will be an annual free swim/fund raising day at the pool. This year we hope to have a mural painted and a reproduced exhibit of the media she has from the fundraising she organized. This could rotate with other pictures of the pool or be updated after each season with pictures from events. Rebecca Motioned, Heather seconded, all in favor.
4. We decided that we need to have concessions available on days we can't get vendors to be there and sell their food. Rebecca Motioned, Heather seconded, all in favor.
5. Interviewed Marissa for the Pool Manager and Cindy for the Pool Manager but Cindy respectfully declined the Pool Manager position after learning more. Cindy is interested in a Concession position if one comes available.
6. We approved higher wages for lifeguards with the increase in the minimum wage. \$14/first year, \$15/returning, \$16/head guard. We need to decide on a rate for the pool manager. Rebecca Motioned, Heather seconded, all in favor.

7. Legion donated \$200 to have a swim day. We will discuss further at our next meeting.
8. As soon as we get the pool kicked off, invite MAC back so we can connect and assist.
