Dear Residents of the City of Marseilles:

The City of Marseilles has asked North Central Illinois Council of Governments (NCICG) to submit a competitive grant application to receive funding from the Rebuild Downtowns & Main Street program.

The grant funds will be used for decorative street lighting repair, install brick pavers and concrete sidewalks, pavement markings, pruning of trees, mulch, benches, and new trash receptacles along Main Street from Bluff to Washington Street.

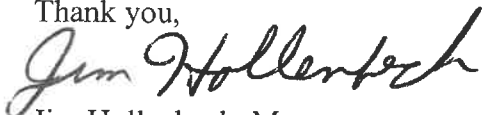

A very important part of the grant application is to show community support. I am asking you to show your support by sending a short paragraph of how you feel this project would enhance the community and your life in the community. It doesn't have to be a long formal written letter, just something, via email or post, on how beneficial this project would be to yourself and the City of Marseilles. Your information will be a great asset to the grant application.

All support documentation should be submitted to Lesley Hart, City Clerk. Email all responses to [cityclerk@mtco.com](mailto:cityclerk@mtco.com) or mail them to:

If you have any questions feel free to contact Shug Grosenbach, NCICG, at 815-433-5830.

Thank you,

Jim Hollenbeck, Mayor  
City of Marseilles
