Donations may be left at City Hall or mailed to the Marseilles Nursing Service 227 Main Street Marseilles, IL. 61341

## What's Ahead

## From the Mayor's Desk

Dear Marseilles Residents,

We have said goodbye to 2021 and I am looking forward to 2022. As I do every year I have been reflecting on this past year and the one before it. I see that some of the challenges from these years, disappointingly will continue into the new year. But my focus always lands on the progress we have made despite these challenges and the strong community we have maintained. A very generous community that has made possible a great many things by supporting events, organizations, and programs.

One thing I realized this year is that life is all about answering the calls. We get called upon in all areas of our lives. Some of those calls we answer alone, but many we answer as part of a team. The team may consist of family, coworkers, friends, and/or your community. I'm always inspired by our community and will continue to remain focused on our future. 2022 will bring the completion of current projects such as the realignment of Broadway and Commercial Streets along with the I-80 water and sewer extension. We have applied for a grant to assist in the beautification and rehabilitation of Main Street as well as a 2<sup>nd</sup> round of the Housing Rehabilitation Grants. We asked for letter of supports, and you answered the call. Another example of our great community. I am honored to serve as your mayor. I'm honored to serve in law enforcement and as Deputy Chief of our fire department. I'm grateful for family and friends. I'm confident that we will continue to work together.

Continue to celebrate together. I wish us a healthy, happy, and safe new year. Mayor Jim Hollenbeck
