City Clerk Lesley Hart

Deputy City Clerk Catherine Strottner

Treasurer Cheryl Gray

Positive Results

Congratulations to Superintendent Jason Rix for being awarded the Illinois Rural Water Associations “Wastewater System Operations Specialist of the Year”. This award is given to an individual dedicated to the water industry. This accurately describes Mr. Rix said Frank Dunmire Executive Director of the Illinois Rural Water Association. Jason has shown himself to be truly committed to furthering the professionalism of the Wastewater Treatment Industry by helping to insure safe clean effluent for the environment and the customers of the City of Marseilles. Mr. Dunmire said Jason goes above and beyond to make sure Marseilles has a clean wastewater effluent as well as protecting the receiving streams for today and the future.

From the Mayor's Desk

Dear Marseilles Residents,

Spring is just around the corner so wanted to update everyone on the I-80 sewer and water project. Pohar was able to work most of the winter which is good. On the downside we are still waiting for NICOR to move about 1200 feet of gas main on the east side of the road just North of 11th Street. We are also waiting delivery of the Waste Lift Station and the Water Pressure Booster Pump. As of this writing we don't even have a tentative delivery date. Pohar still has some work he can continue with in the meantime and hopefully he won't have to come to a stop before NICOR does their part and we get the ordered items.

As we move through the year, we will continue to update you on events and community news. You can find these updates on our Facebook page, City of Marseilles Illinois or on our website, www.cityofmarseilles.com.

Sincerely, Mayor Hollenbeck

~Save the Date~

Celebrating 50 Years of Marseilles Fun Days 

Tuesday, July 5, 2022 – Sunday, July 10, 2022

We encourage your organization/church/business to get involved. Some highlights of our schedule are:

- Ducky Derby at Snug Harbor bigger & better on Tuesday, July 6th
- Carnival from AAA located on Lincoln St by Knudson Park on Thursday, July 7– Saturday, July 9 . Friends with Disabilities will attend the Carnival for free on Friday from 2pm – 4pm (sign up)
- Beer, Food, & Bands back at Knudson Park next to the Carnival Fri., July 8 & Sat., July 9
- FIREWORKS! Saturday, July 9 sponsored & hosted by the Marseilles Fire Association celebrating 75 Years in our community

If an individual would like to help for this year's Fun Days Celebration, you can message us on our Marseilles Fun Days Page or send an email. We would be happy to grow our committee this year with community-minded people who wish to lend a hand in the planning of the festivities.

Contact the Fun Days Committee at 815-795-2133/ email deputyclerk@cityofmarseilles.com - Subject Line "Fun Days" - Ed Cavanaugh Jr, Jackie Hanlon, Catherine Strattner

WARNING SIREN: We have many new residents in town, and I was asked to explain about the siren they hear periodically. The fire siren is a familiar sound especially for lifelong residents. The fire siren cycles 5 times for a fire /Rescue incident. It serves a couple purposes it can alert a firefighter who is outside and may not have his pager or phone in close proximity. It also alerts residents that firefighters will be responding to the station from home, work, church, etc. as we do not have a full-time department. It also serves as a tornado warning which is a solid siren for 60seconds followed by a 30 second pause repeated for 3 cycles. Residents need to take cover is you hear this siren. The siren is also tested on Monday evening around 6 with the same siren as fire calls. which is also firefighter training night.
