## Positive Results

Construction of the water sewer extension to I-80 is scheduled to start after Labor Day. Work will begin in Walbridge Subdivision with installation of the lift station and their water and sewer connections.

Work is continuing with the new Municipal Boat Launch. The roadway is in, and the parking lot is being constructed.

## What's Ahead

2021 Clean Up Days have been scheduled for Thursday and Friday October 21 & 22 from 8:00 AM to 6:00 PM. And Saturday October 23<sup>rd</sup> from 8:00 AM to 12:00 PM. Dumpsters will be located at the city garage on Commercial Street. City employees will be present to supervise, organize along with verification of residency. No brush, tree limbs, garbage, paint, tires, or electronic items or chemicals that would pose or create a health hazard will be accepted.

The city in conjunction with our good friends at NUCOR are working on an electronics recycling hopefully it will also be in October.

## From the Mayor's Desk

Dear Marseilles Residents,

It's hard to believe that Labor Day is right around the corner. This summer sure did fly by. The city has had a good summer and many projects were completed or will soon be before winter.

A total of 14 streets were repaved in totality or in part depending on their conditions. The approaches to the sidewalks were also made handicap accessible.

October 2<sup>nd</sup> there is a 5k run scheduled at Knudson Park to raise funds for Stage 4 Breast Cancer research. Registration at 4:30 PM Race at 5:45 PM.

City Hall in conjunction with the Marseilles Tourism and Parks Committee is planning a Fall Festival on Saturday October 16<sup>th</sup>. Many great activities and games are being planned. A itinerary will be sent out in September.

Sincerely, Mayor Hollenbeck
