Agenda

1. Call the Meeting to Order
2. Pledge
3. Budget Report
 - a. No report - next meeting to go over
4. Guests
 - a. Melissa provided a high-level update on the pool. Talked about a shorter work day for July 4th since many of the kids will be celebrating the 4th of July with their families. Pizza for the guards that do work that day. of going down the slide too fast. 12 parties booked so far and one party is requested in August but high schoolers go back to school 8/9. We need to finalize the last day of the pool season so we can tell this party to request yes or no. Melissa suggests the first week of August we close.
5. New Business
 - a. 2022 summer events
 - Theater Camp Performance on August 12 will be a family day - inflatable/magic show - Heather motioned and Jessica seconded the motion. All in favor.
6. Old (and ongoing) Business
 - a. Pool Update

- Concluded to have a Father's Day Free Swim (custom hours for this holiday) July 7th free swim day for Fun days
 - One injury so far and Melissa is awaiting an update from the ER - case.
 - Melissa received requests of staying open later in extreme heat and she will do the best she can keeping the staff's health front of mind. No guarantees, but when they can they will.
- b. Ottawa Collaboration
- Ottawa Collaboration with Pool - they average 14-15 kids on the bus rides to the pool on Mondays. Day Camps brought to you by Ottawa Rec: We worked on an updated flyer that covers a detailed FAQ. We are going to market harder via social and printed flyers.
 - Changing the location to Broadway park since that park is more active with kids. Feedback that people have attempted to come but are confused when they see no one else there - it doesn't visually look like anything is going on so people ditch it.
- c. Theater Camp
- Change of date to give the kids more time to practice and location for rehearsals will be now at the new community center.
- d. Basketball Courts
- tables
- e. Playground Equipment
- Requested an update to where we are with things for 10th street park
