Positive Results

Have you noticed the new sidewalks and handicap access at Bowl Rite, U-Store It, and the intersection of Rose and Washington Streets as well as numerous other locations?

What's Ahead

Boat Launch at 1197 Broadway Street is officially open. Should be a great summer for boaters and businesses.

From the Mayor's Desk

Dear Marseilles Residents,

30 years in the making the city officially has a municipal boat launch. Drive by and check it out. This location and idea for a boat launch was first discussed and placed in our comprehensive plan in the early 1990s. The 454k project was financed by Illinois Department of Natural Resources and TIF 1 and was constructed by Pohar Construction.

Check out the summer reading program at the Marseilles Library from June 1st. to June 30th.

As we move through the year, we will continue to update you on events and community news. You can find these updates on our Facebook page, City of Marseilles Illinois or on our website, www.cityofmarseilles.com.

Sincerely, Mayor Hollenbeck
