

THE COUNCIL CORNER

Mayor

Jim Hollenbeck

Commissioners

Bobby Kaminski, Gary Lewey, Nate Schaefer, Jim Buckingham

City Clerk Lesley Hart

Deputy City Clerk Catherine Strottner

Treasurer Cheryl Gray

Positive Results

Construction of the water sewer extension to I-80 is on schedule to be completed by fall. We are still waiting on the arrival of the wastewater lift station and the water pressure booster pump.

Work is continuing on the Main and Commercial Street intersection. Scheduled next is the moving and replacement of the water/sewer main.

What's Ahead

2022 Clean Up Days will be scheduled soon, probably during the month of October as in previous years.

Dumpsters will be located at the city garage on Commercial Street.

City is waiting for IDOT in Springfield to approve the engineering plans for the new sidewalk on Rutland Street and Bratton Avenue.

Contracts have been signed for sanitary sewer work on East Bluff and Union Streets. Construction is imminent.

From the Mayor's Desk

Dear Marseilles Residents,

Labor Day is right around the corner. The city has had a good summer and many projects were completed or will soon be before winter. The largest of which is the I-80 water and sewer extension to I-80. Once completed and active the next step will be connecting the homes and businesses along the route.

The Municipal Boat Launch was completed and has seen a steady increase in boaters. Discussions are ongoing to add a dog park and some small picnic shelters through a possible OSLAD Grant. Our friends at NUCOR are going to be donating a picnic shelter as well.

National Night Out is August 2, 5-8 pm. Marseilles Rotary's Circus is August 3rd at Eagle Park (10 Acre Park). Ticket are available at city hall. Adults \$12.00. Children 2-12 and Seniors over 65 \$7.00. City Hall's Fall Festival Committee are planning a Fall Festival on Saturday October 15th. Many great activities planned.

Sincerely, Mayor Hollenbeck
