

# THE COUNCIL CORNER

## Mayor

Jim Hollenbeck

## Commissioners

Bobby Kaminski, Gary Lewey, Nate Schaefer, Jim Buckingham

City Clerk Lesley Hart

Deputy City Clerk Catherine Strottner

Treasurer Cheryl Gray

## Positive Results

The Main, Commercial, and Broadway Streets Road improvement is progressing. A new natural gas high pressure main has been installed along with new watermain. Work on the new storm sewer will be next.

## What's Ahead

The city is applying for a Brownfield Grant. Purpose and objective of the grant is to address the Washington School and Nabisco building as well as any other location deemed necessary. If awarded all environment issues such as asbestos and lead paints will be addressed and upon completion the buildings will be more marketable. There is a list of investors who may be interested in developing the properties if they know that the locations have a clean bill of health.

Marseilles Taxi Service

## From the Mayor's Desk

Dear Marseilles Residents,

With Labor Day rapidly approaching it's hard to believe how quick the summer flew by. The city had a great year with the ribbon cutting at the new municipal boat launch and the long-awaited realignment of Commercial and Broadway Streets. The I-80 sewer and water are nearing completion. The engineering plans for the new sidewalk up Rutland Street and Bratton Avenue are at IDOT in Springfield awaiting approval. Hopefully we can get started with the project come spring. We now have a Taxi Service, Reliable Transit in town along with a new Restaurant, Ryan's Eatery. It was a great summer with something for the children to do almost every day of the week thanks to Marseilles & Ottawa Recreation Boards and numerous other organizations in town. We wish everyone a happy and safe Labor Day weekend.

Sincerely, Mayor Hollenbeck
