## Positive Results

We are still waiting on approval from Springfield for letters to homeowners in the designated area (East Bluff south to river and Main Street East to Chicago) for those interested in the Housing Rehabilitation Grants that the city was awarded for the second time. Hopefully it will be soon.

## What's Ahead

## From the Mayor's Desk

Dear Marseilles Residents,

Hopefully everyone attended the Fall Festival and fire department open house put on by the city and the firefighter's association who are celebrating their 75<sup>th</sup> anniversary. Lesley Hart, Cheryl Gray, and Terri Crum worked hard on putting the program together and lining up donors so that almost everything is free. A huge KUDOS to the great job.

We also had a ribbon cutting ceremony at the Gamers Garage Arcade. This activity is an asset to the city and fills up an empty building at 225 Lincoln Street. It's operated by the Harrison family who also opened a towing and auto service on Commercial Street. They had over 300 attendees within a few hours during Fall Festival. The water pressure pump and sewage lift station finally arrived so we can now mover forward with the I80 sewer and water project.

Sincerely, Mayor Hollenbeck

Please help Support the  
**Marseilles Ambulance  
Service  
Annual Food Drive**

**FIRST SATURDAY IN NOVEMBER**

Our Ambulances and personnel will be driving Marseilles City Streets picking up donated food items (canned goods and non-perishables) from 9:30am to 1:30pm.

You may donate to the food drive in three ways:

- 1) Place your donated food items in a bag on your front porch steps
- 2) Bring your donated food items to the Marseilles Ambulance Service Station (207 Lincoln St.)
- 3) You may also make a monetary donation by check to the "Marseilles Food Pantry", and either drop off or mailing the check to:

**Marseilles Ambulance Service  
207 Lincoln Street  
Marseilles, Illinois 61341**
