From the Mayor's Desk

Dear Marseilles Residents,

As another year draws to close city officials are already looking forward to next year.

The I-80 Water and Sewer is 99.9% complete and we already have one home in Walbridge connected.

Main, Broadway, and Commercial Street project is completed as well and looks very nice. Will be easier to see when pulled out from Commercial Street and truck driver will be able to make the corners easier.

A new Community Center was opened at 850 West Bluff Street.

Municipal Boat Launch was officially opened.

You can find these updates and other important information on our Facebook page, City of Marseilles Illinois or on our website, www.cityofmarseilles.com.

One behalf of myself and the city could we wish everyone and very Merry Christmas and a Happy New Year.

Sincerely, Mayor Hollenbeck

KEEP THEM CLEAR

If there's a **fire hydrant** near your house, do your part to keep it accessible this winter:

CLEAR-AWAY ZONE
 Remove any snow and ice
 Clear a wide enough perimeter around the hydrant for firefighters to work (about 3 feet)
 Clear a path from hydrant to street
