Positive Results

The city was awarded 600k in funding for the IDNR OSLAD fund to totally rebuild Broadway Park. The renovations will include a splash pad and pickle ball courts and many other amenities. The park will also be expanded. The Schematic Design on page 2 is on display in city hall if you're interested in reviewing it in larger detail.

What's Ahead

From the Mayor's Desk

Dear Marseilles Residents,

The city is excited that we are going to be able to totally rebuild Broadway Park with everything new including 2 pickle balls courts which is one of the hottest activities: along with a splash pad. The total project is estimated to be approximately 850k with 600k covered by the OSLAD Grant.

The Marseilles ESDA is looking to host a Tornado Awareness Program at the Marseilles Fire Department on Saturday April 29th. From 8am to 5pm. If anyone is interested in attending please use this link to register: before April 1st <https://ndptc.hawaii.edu/training/delivery/3379/> or anyone wishing to join the Marseilles ESDA please contact Director Nate Schaefer or leave you name and phone number at city hall; You can also email me as well at marseillesmayor@mtco.com.

I would ask residents to consider donating to the Marseilles Nursing Service, one of its kind in the state that is always there to help our residents free of charge. Donations can be sent to the Nursing Service, dropped off at OSB Bank or city hall.
