

THE COUNCIL CORNER

Mayor

Jim Hollenbeck

Commissioners

Bobby Kaminski, Melissa Small, Mike Scheib, Jim Buckingham

City Clerk Lesley Hart

Deputy City Clerk Catherine Strottner

Treasurer Cheryl Gray

Positive Results

The city has obtained bikes that are able to be rented to ride the Illinois Michigan Canal Corridor or to tour our community. Cost is \$5.00 per hour you sign up by downloading an app on your phone and paying with a credit card. They are located on the west side of main street on the canal bridge.

What's Ahead

In January we will be seeking bids for both the Broadway Park revitalization as well as the sidewalk going from the Legion up to 11th Street and Bratton Avenue to 10th Street. Plan is to award bids in March so construction can start in the spring.

From the Mayor's Desk

Dear Marseilles Residents,

The city council is happy to announce that we are in negotiations with the new owners of Illinois Valley Cellular to purchase the building for the city hall and police department. It's unfortunate that the new owners are not going to utilize the location for their corporate office but may keep a store front in town. We will keep you updated. This came along at a great time because it has come to a point where the city was going to have to put a substantial amount of money into the present city hall and the police department needs a garage which they will have at the IVC building. The plans are to make the purchase with alternate revenue bonds. The building will be paid for in 15 years and most importantly there will be NO TAX INCREASES. Contrary to some rumors it isn't a done deal, and all the details currently are very fluid. Citizens will be informed once an agreement is reached but as of now it looks very promising.

Sincerely, Mayor Hollenbeck
