RE: Freedom of Information Act Request

Dear Lesley Hart, FOIA Officer,

Pursuant to the **Illinois Freedom of Information Act (5 ILCS 140)** and in accordance with the public access rights established under **federal law (including 5 U.S.C. § 552 where relevant)**, I am formally requesting the following records from the City of Marseilles:

Requested Records:

1. **Complete Internet Logs and History Reports** for all municipal networks operated or maintained by the City of Marseilles. This includes logs for any official city departments, offices, and public-access systems connected to city servers or network infrastructure.
2. **Administrative Access Logs** to the City of Marseilles' official website(s) and internal portals. This includes—but is not limited to:
 - Upload history
 - Deletion or modification history
 - Timestamped records of access events
 - Usernames or access credentials (where permissible) associated with each action or access point.
3. **User Access Logs / activities** for all individuals or entities who have accessed the city's internal network systems using login credentials or other authenticated access methods from **January 1, 2020, to the present**.

Additional Notes:

- If any portion of the requested information is exempt under FOIA, please provide the **specific legal exemption(s)** claimed and release the remainder of the non-exempt information as required by **5 ILCS 140/7**.
- I am requesting these records in **electronic format**, if available, and would prefer delivery via email or a digital file-sharing link. If this is not feasible, I am willing to accept the records on a USB drive or CD.
- Please notify me in advance of any potential fees. If the cost exceeds \$25.00, I request an itemized estimate before fulfillment.

Legal Grounds:

This request is made in the public interest and for transparency and accountability in local government operations. Under 5 ILCS 140/3(d), a public body must comply within **five (5) business days**, unless an extension is properly claimed under subsection (e). Under Illinois FOIA, failure to respond is a violation of law and may be referred to the **Public Access Counselor at the Office of the Illinois Attorney General** for enforcement.

Thank you in advance for your attention to this matter. I look forward to your prompt and complete response within the timeframe provided by law. Please feel free to contact me at (708) 287-0000 if you have any questions or need clarification regarding this request.

Sincerely,

Eric Olsauskas
