**Subject:** FOIA request

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140 et seq., I am requesting copies of the following public records:

1. All bids, proposals, estimates, or quotes submitted to the City of Marseilles for the construction, renovation, or installation of the bathroom at Broadway Park.  
This includes all documentation provided by vendors, contractors, subcontractors, or any third-party entities in response to a request for bids, as well as any internal evaluations, scoring sheets, correspondence with bidders, bid tabulations, or recommendations.
2. All emails or electronic communications (including but not limited to emails, internal memos, or attachments) sent or received by any City of Marseilles elected officials, employees, contractors, or agents that reference "Broadway Park" and "bathroom."  
This includes emails where the terms "Broadway Park" and "bathroom" appear in the subject line, body of the email, attachments, or metadata, regardless of whether they are from city-controlled domains (e.g., @cityofmarseilles.com) or personal email accounts used for public business.

Please conduct a full and thorough search of all records in possession of the City and its departments, including but not limited to the offices of the Mayor, City Council, City Clerk, Public Works, city engineer, and any committees involved with park or capital improvements.

I request that these records be provided in electronic format if available. If any portion of my request is denied, please provide a written explanation of the legal justification for the denial, including the specific exemption(s) claimed, and inform me of the appeal procedures available under 5 ILCS 140/9.5.

Thank you,  
Denise Parini
