Re: Second Request Under Freedom of Information Act

To Whom It May Concern:

It has not gone unnoticed that the city has selected certain persons and requests to publish on its website. Apparently, the city takes some offense as to certain requests. This is terribly interesting as this seems an unusual practice focused on targeting certain persons and I am amongst them. As a result, Pursuant to 5 ILCS 140 *et seq.* I request a copy of the following documents and all documents pertaining to the following:

- Each response, including all e-mails and letters to the persons making those FOIA requests that have been publicly published here:
<https://www.cityofmarseilles.com/foia-requests/>
- Information pertaining to how the persons on this list have been chosen.
- Correspondence by the city and/or its officials pertaining to creating this published list.
- All invoicing for legal services to the city related to the requests listed.

Yours Truly,

Timothy M. Barnes
