Subject: Grant Money

I am writing this email so that it may serve as an official FOIA request in accordance with 5 ILCS 140

I am asking for the following:

1. All grant documents and payments pertaining to sidewalk repairs and flashing speed limit signs near MES from 2023 through current
2. All bids and proposals pertaining to the sidewalk repair and speed signs near MES from 2023 through current
3. All receipts and invoices related to sidewalk repair and flashing speed signs from 2023 through current
4. Meeting minutes from the 2024 (possibly May and June) meetings that include the topic of the 250,000.00 grant awarded to the city for the sidewalks and flashing speed signs near MES

Specifically, I remember the grant being stated that it was approved and I know the work has not been done so I am seeking information as to where the money has gone for it.

Electronic copies are preferred if available.

Thank you & have a blessed day!!

Jeff Welter
