City of Marseilles  
Attention FOIA officer  
200 riverfront dr  
Marseilles, IL 61341

## FREEDOM OF INFORMATION REQUEST FORM

Please provide the following:

All FOIA requests and responsive documents/emails between 6/1/2025 and the date of this request.

To narrow this request down, all I need is the full name of the requester, the date of the request, the information requested, and all responses to the request, including the date of response.

If there are redactions or omissions, please give a justification for the redaction/omission. Names of requesters are public information and should not be redacted.

Digital records are preferred when possible.

I am including the FOIA attorney as emails to the FOIA officer have allegedly gone to spam and have received no response.

Regards,  
Melissa Pointer
