FREEDOM OF INFORMATION REQUEST FORM

DATE: 12-22-025

I, Scott Damnjanovic, request the following information:

Any and all investigations, complaints, discipline of city clerk Lesley hart.

For reference, city clerk is a public official. She holds a office created by law or ordinance and as such any complaints, allegations. investigations into her duties in the clerks offical capacity are subject to public record disclosure.

More specifically at the 12-17-25 city council meeting mayor protemp stated that he did an investigation in the HR report release and determined that the city clerk released the HR report in her official capacity. furthur proving that the investigation was into the actions of the city clerk in her official capacity. And further stating that the HR report is and always was a public document subject to disclosure

Please remember that the city can use redaction. but the city still must acknowledge the records exist, even if not disclosing them.
