Subject: FOIA Request

Hello,

Can you please provide me with the HR process from beginning to end regarding vetting, interview process and the hiring onboarding of City of Marseilles candidates? Specifically, the past 2 years of practices and who the individuals at the City level and beyond are involved. I would like to request HR documents for the process as well. Who oversees HR for the City of Marseilles, currently and two years back from today, please. Thanks in advance.

To greater success,

Julianna Swanson
